Council reviewed the draft budget based on a residential rate of 94¢ and a commercial rate of \$1.80 per hundred dollars of assessment.

The following expenditures were approved:

- \$25,000.00 to *Université Sainte-Anne* to assist with their plans to connect a generator to the sewage system pumping station & to the water supply;
- \$20,000.00 to be budgeted to hire a seasonal full-time Development Officer.

Council agreed that \$50,000.00 be transferred from last year's operation surplus to balance the budget.

The meeting adjourned on a motion.
